About Us

Adams Dairy FZC, established in 2020 in Sharjah SAIF Zone, UAE, is a leading manufacturer and exporter of milk powders and dairy-based products. Backed by over 20 years of industry expertise, we deliver safe, high-quality, and innovative dairy solutions to customers across the Middle East, GCC, and Africa.

Our product range includes Instant Full Cream, Fat Filled, and Skimmed Milk Powders, Milk Based Fortified Nutritious Formula and Ice Cream Powders, available in various consumer and bulk pack sizes. With advanced production facilities, strong R&D, and strict quality standards, we ensure consistent taste, safety, and reliability in every product.

Adams Dairy FZC partners with global suppliers and distributors to provide complete dairy solutions — supporting retailers, hotels, catering companies, and food manufacturers. Our focus on innovation, customer satisfaction, and sustainable growth continues to drive our success in regional and global markets.

Vision

To be a leading global manufacturer and supplier of premium, safe, and trusted dairy products.

Mission

To produce and market world-class dairy products using advanced technology, superior hygiene standards, and customer-focused innovation.

Instant Full Cream

Milk Powder

Our Instant Fortified Whole Milk Powder is made from fresh pasteurized milk and is ideal for all milk-based applications such as tea, coffee, yogurt, sweets, and beverages. It dissolves instantly in water, offering a rich, creamy taste and smooth texture.

our milk powder features:

- Low bulk density for easy storage and economical transportation
- Low moisture content for extended shelf life compared to fresh milk

Produced through advanced drying technology

Multi Layer paper bag
1 x 5 kg - 1 x 10 kg - 1 x 25 kg

Cylindrical tins
24 x 400 g - 12 x 900g
6 x 1.8kg - 6 x 2.5 kg

Packing: Aluminium foil pouches / sachets
24x150g, 24x400g,
12x900g, 6x2.25kg, 6x2.50kg

Fat Filled

Milk Powder

Our Instant Fat Filled Milk Powder combines high-quality milk solids with refined vegetable fat, offering a rich, creamy taste and excellent solubility. It's an ideal and economical alternative to full cream milk powder for use in tea, coffee, confectionery, bakery, and dairy-based beverages.

our milk powder features:

- Smooth texture and quick dissolving
- Stable shelf life and easy storage

Perfect for everyday use and industrial applications
